

GREENBOLT

Alternative Transportation Experience

WILL TAKE YOU THERE

The GreenBoLT winds through the community and provides a journey that's almost as exciting as the destination. Whether it's visiting neighbors, going for a run or bolting to the pool, the GreenBoLT can take you there. The trail is outfitted with safety features like 12-foot-wide, safety markers and carefully designed intersections. You can add to your experience with an electric powered golf cart or segway scooter to take you on a peaceful and scenic journey.
